ORDER:

In the references 1st and 2nd read above, the Chief Engineer (PH), Andhra Pradesh, Hyderabad has submitted that the Puttappathota Kutcha outfall drain carries 75 % of the sullage generated from the town and is passing through private lands of Puttapapathota area land and finally joining the natural drainage/vanka at the By-pass road. The private land owners are frequently obstructing the sullage drain during normal days and causing inundation in the lower part of colonies, leading to vector borne disease in rainy season. Hence, it is proposed to realign the Puttappathota Kutcha outfall drain with a cost of Rs.200.00 lakhs, along the Rajeev Nagar Colony and round the hillock to reach upto By-pass road. The Chief Engineer (PH), Andhra Pradesh, Hyderabad has therefore requested the Government for sanction of funds Rs.200.00 lakhs towards construction of Puttappathota Outfall Storm Water Drain in Rayadurg Municipality, Ananthapuram District.

2. Government after examining the proposal hereby accord administrative sanction for an amount of Rs.200.00 lakhs to the Chief Engineer (PH), A.P.Hyderabad for taking up the work “construction of Puttappathota Outfall Storm Water Drain in Rayadurg Municipality, Ananthapuram District”.

3. The amount sanctioned at para (3) above, shall be met from the funds released under State Finance Commission Grants 2016-17.

4. The Chief Engineer (PH), Andhra Pradesh, Hyderabad/the Director of Municipal Administration, AP, Hyderabad shall take necessary further action, accordingly.
